Fez on the other hand, is hilly, the souks and old city are a series of enclosed, narrow walkways. It is hard to grasp how large it is as you walk around as you never can see much of it at a time. There are still a lot of families living within the old city of Fez, and life continues much as it has for centuries.

So I decompiled FEZ.exe and found codes that only work when you're standing in the heart room beyond the 64 cube door... You actually enter the codes in the menu screen —there's a separate code for both the letters and numbers artifacts. When you do both, the heart disintegrates, and the game does a faux-reboot!

There are only three collectible Heart Cubes in FEZ, one in the Observatory, another in the Metatron Room, and another one in the Monolith Room. There is a non-collectible Heart Cube (known by fans as the Love Cube) in the Temple of Love that only appears in when the previously mentioned three Heart Cubes have been collected. Entering a certain code will make it disappear, and restart the game.
