step orientation to home theater components and calibration. This DVD starts with the basics and takes you step-by-step through the process of planning and installing your system. Actually, it is not as much trouble as it sounds.

## AVIA Guide to Home Theater - ProjectorCentral

I bought the Avia GtHT when it first came out for my CRT tv and home theater system. It was invaluable for helping calibrate my system, especially balancing the 5.1 surround sound and correcting the factory settings on my tv. I was able to significantly increase the performance of my system with this dvd.
