Getting Good at the Sport of Speaking Now revised and updated, The McGuire Programme official manual, Beyond Stuttering, documents the internationally recognised method that not only improves speech, but offers the enjoyment, not the dread, of speaking.

[Beyond Stuttering Book | The McGuire Programme](#)

The McGuire Programme was founded in 1994 by Dave McGuire and is now an international organisation run by people who stutter to help other people who stutter. Its combination of physical techniques and mental strategies that deal with the fear of stuttering, as well as developing an assertive approach to the problem, has helped thousands of people to control their stutter and to get good at the sport of speaking.

he McGuire Programme goes beyond overcoming your stammer, it transforms people who stutter into articulate, well spoken people. We don't just concentrate on the speech, but the person as a whole. As Seen on ITV School for Stammerers - More Information Click Here!

[UK | The McGuire Programme](#)

As I understand this book, the McGuire Programme is based around two main strands - the breathing technique and non-avoidance. The breathing technique helps to counteract the physical blocks which afflict people who stammer while the non-avoidance advice helps you to reduce the fear of people and to counteract the negative associations which have built up in the past.

It is the "set text" of the McGuire Programme, put together by Dave McGuire, and representing his answer to his own speaking difficulties. Reading the book and putting it into practice without going on one of their supportive courses as well is extra hard work, and ideally needs super-supportive and understanding home back-up in order to cope with the inevitable, frustrating (a polite word) set-backs.
