Pilot, Navigator, and Flight Officer; in a reference that provides in-depth reviews of each question type, three full-length sample tests, and complete descriptions of training programs and careers for each U.S. military branch. Original.

The book is about how to teach arithmetic using an inquiry method. A child's innate love of learning is encouraged through hands-on exploration, discovery, and the creation of models. The Parent/Teacher Guide is a collection of lessons, games, activities, Black Line Masters, and an answer key to the student workbook. The Subjects covered are subtraction, multiplication, division, regrouping in addition, patterns, fractions, place value into the thousands, and other general math topics. This mathematics program was developed and successfully used at the University of California, Irvine Farm Elementary School.
