Scholastic's new edition, the original b&w art has been beautifully converted into color. Smith's epic concerns three blobby creatures who have stumbled into a valley full of monsters, magic, farmers, an exiled princess and a huge, cynical dragon. The story is something like a Chuck Jones version of *The Lord of the Rings*: hilarious

and action-packed, but rarely losing track of its darker subtext about power and evil. This volume is the most lighthearted of the bunch, though, featuring some of the wittiest writing of any children's literature in recent memory--a few of Smith's gags are so delicious that he repeated them for the rest of the series. It also introduces the
