**Solutions** as the village itself. Fred was a World War II veteran and artist with a rambunctious personality. Ethel was an unstoppable visionary and self-made businesswoman. Together, they restored the Smithville Inn and, over the years, added the historic village. Ethel ran the enterprise with a notoriously tight grip, while the garrulous Fred painted, collected decoys and was the mainstay. They went on to build the Ram's Head Inn and the Noyes Museum of Art. Fred and Ethel left a lasting legacy for the people of New Jersey. Author Judy Courter tells the story of this fascinating couple through the memories of family, friends and employees.

Under the guidance of new lead editor John E. Steiner, Jr., Esq, Problems in Health Care Law, Tenth Edition continues to be the authoritative foundational textbook that covers the key components of our legal system and their application to our healthcare system. Students will come away with a clear understanding of how individual rights are defined and protected in the healthcare setting; how healthcare services are defined, insured, and paid for; how individual providers organize and govern themselves; and many other core legal concepts related to the organization and administration of our healthcare system. The Tenth Edition is an extensive revision that covers HIPAA, healthcare reform, and offers several chapters not included in previous editions. This authoritative text brings
