Dr. Buddy Bell, founder of Ministry of Helps International, combines humor with informative teaching and practical tips to help ushers realize the importance of serving people with excellence in the local church.

Creators and Context. Starting in the mid-1980s, a talented group of comics creators changed the American comic industry forever by introducing adult sensibilities and aesthetics into popular genres such as superhero comics and the newspaper strip. Frank Millers Batman The Dark Knight Returns 1986 and Alan Moore and Dave Gibbonss Watchmen 1987 in particular revolutionized the genre. During this same period, underground and alternative genres began to garner critical acclaim and media attention, as best represented by Art Spiegelmans Maus. The Rise of the American Comics Artist is an insightful volume surveying the

A complete manual on handling paraments, supplies, preparation and clean-up, worship services, and more.

This volume brings together twelve scholars from a variety of scholarly fields including biblical studies, history, theology, sociology, anthropology, and missiology in a multi-disciplinary exploration of themes related to women's leadership within the three branches of the renewal movement: Holiness, Pentecostal and Charismatic traditions. These scholars - women and men - from both within and outside the traditions, draw on various methodologies including hermeneutics, ethnography, critical theory, and historical analysis to explore the experiences and contributions of women from the movement's inception to the present. They keep before us the challenges that still impact women's full participation as equal partners in ministry and leadership on both the American and global scene. The volume looks at the multiple roots of women's marginalization within the renewal movement while suggesting progressive solutions that take seriously the social locations of Pentecostal and Charismatic congregations and the theological foundations on which the movement has been built. At the same time, it locates these discussions within the broader postmodern realities facing the church as it attempts to faithfully live out its witness to the biblical truth that both male and female are created in the God's image and endowed with the capacity to work creatively toward the unfolding of the Kingdom. Contents Preface by Amos Yong vii 1. Introduction by Estrela Alexander Part I -- Historical Perspectives 2.

Ware Contributors Select Bibliography Author index Subject index

Interpersonal psychotherapy (IPT), an empirically validated treatment for depression and other disorders, is becoming more frequently used to treat a range of psychiatric diagnoses. Based on evidence that interpersonal problems contribute to the onset of psychiatric disorders, IPT helps patients to change interpersonal behavior in order to improve psychosocial functioning and relieve symptoms. IPT both relieves psychiatric symptoms and helps to build social skills. Bringing together experts who have treated patients with and conducted clinical research on IPT, the Casebook of Interpersonal Psychotherapy responds to the growing need for a foundational text to supplement the available manuals on IPT. The Casebook provides a wealth of real life treatment material, and illustrates the use of IPT in the hands of expert psychotherapists treating patients with a range of conditions and complications in different IPT treatment formats. The detailed cases give a sense of how IPT proceeds and how it works. Chapter authors describe specific adaptations of IPT for patients with particular disorders, including mood disorders, anxiety disorders, eating disorders, and personality disorders. The book also covers different contexts in which IPT may be practiced, including group therapy, inpatient settings, and telephone therapy. The Casebook of Interpersonal Psychotherapy is an invaluable resource for psychiatrists, psychologists, social workers, psychiatric nurses, and other mental health professionals interested in psychotherapy.

Church leaders understand that managing the day-to-day operations of a church can be challenging because of limited resources, managing volunteer labor, and supporting the needs of the congregation. *Smart Church Management: A Quality Approach to Church Administration, Third Edition* is an updated guide for managing the resources of a church - which is people, time and money. This book provides tools and examples for decision making and problem-solving for church administration that is easy to understand and more importantly, quick to implement! This book also includes discussion questions to provoke thought and discussion for church teams. This book is ideal for ministry students, church boards, church leadership and church administrators.

There are emerging cultures and generations at war between traditional and contemporary styles of worship. Cultural change is present in society, but the circumstances of change differ from generation to generation. In 2020, COVID 19, a world pandemic shut down places of worship. However, pre-pandemic, many churches had been struggling trying to find their DNA in an evolving society with culture changes. COVID-19 has infected and exposed areas of failure in the church. Some may have found their way, yet others have been left behind and are on life support. Leadership of the church must find innovative ways so that the needs of multi generations will be met upon reentry in worship. Dr. Timothy D. Price, III provides the answer for the tension, anxiety, conflict, and concern that many Christian churches face today. This book provides an in depth project journey that offers life-changing applications to help a local church find their individual path in worship. This project is the culmination of his Doctoral work that will take all who read through a transformational journey in the life of a church and her community. It provides life-giving jewels for leaders who need help reviving their church that is on life support.

The megachurch is an exceptional recent religious trend, certainly within Christian spheres. Spreading from the USA, megachurches now reached reach different global contexts. The edited volume *Handbook of Megachurches* offers a comprehensive account of the subject from various academic perspectives.

Born to ex-slaves in Reconstruction-era Tennessee, Bishop Charles Harrison Mason had a vision for the Church of God in Christ (COGIC) that thrives today in an international Pentecostal church with more than five million members. *With Signs Following: The Life and Ministry of Charles Harrison Mason* examines the social, cultural, and religious aspects of Bishop Mason's leadership and creative genius in establishing COGIC as a distinct Black Church tradition. *With Signs Following* shares four decades of research from leading scholars that addresses the sociological, theological, psychological, social-ethical, and historical perspectives of COGIC and Mason's ministry. Contributors: Christopher Brennan Ithiel Clemmons David D. Daniels III Glenda Williams Goodson Robert R. Owens Craig Scandrett-Leatherman Raynard D. Smith Frederick L. Ware
