A chapter is one of the main ways to divide and separate your book into distinct ideas. Generally speaking, a single chapter of a nonfiction book is: a single cohesive idea, and/or. a step in the process you are describing, and/or. a single argument or position. It can be one or all of those things.

How Long Should a Book Chapter Be? [& Does It Matter?]

A Book's Body Matter . Body matter is the core contents of the book—or what is called the “story.” The core content is most often divided into discrete segments, most commonly chapters. Chapters may be part of larger divided chunks, called parts or sections.

What Are the Different Parts of a Book?

A chapter is one of the main divisions of a piece of writing of relative length, such as a book of prose, poetry, or law. A chapter book may have multiple chapters and these can be referred to by the things that may be the main topic of that specific chapter. In each case, chapters can be numbered or titled or both. An example of a chapter that has become well known is "Down the Rabbit-Hole", which is the first chapter from Alice's Adventures in Wonderland.
