Haynes has discovered all the problems that motorcycle owners could possibly encounter when rebuilding or repairing their bikes. Documenting the most common DIY fixes with hundreds of illustrations and step-by-step instructions, this compendium of repair, modification and troubleshooting advice is applicable to all domestic and import marques.

Guzziology has been called the bible for owning, operating, maintaining, servicing, repairing, updating, and modifying Moto Guzzi motorcycles. It has been continually updated for over a quarter of a century. Author Dave Richardson has 34 years of experience working in Moto Guzzi dealerships. Guzziology has been purchased by Guzzisti in all 50 US states, all 10 Canadian provinces, all 7 continents (Yes, someone ordered a copy from Antarctica!), and over 40 countries. This is the latest version, Version 9.

Haynes offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. Each manual contains easy to follow step-by-step instructions linked to hundreds of photographs and illustrations. Included in every manual: troubleshooting section to help identify specific problems; tips that give valuable short cuts to make the job easier and eliminate the need for special tools; notes,
