How children develop (Book, 2017) [WorldCat.org]
In its first edition, this highly anticipated textbook for the topically-organized child development course provided a fresh, non-encyclopedic approach, offering the latest, straight-from-the-research understanding of child development without overwhelming the student with inessential detail.

How Children Develop Second Edition - amazon.com
During this stage of development, children are learning to understand more and more abstractions. They are in the process of defining time by recognizable events or symbols. Whether it is a memorable event (a party or trip) or a familiar repeating pattern of the day, these events give 5- and 6-year-olds something temporal to hold on to.
