A variety of traditions and approaches to the study of languages.

## **Introduction to English Language | University of London**

Presenting new language. 4.04412.

Average: 4 ( 68 votes) When we decide to present new language items to learners explicitly, there are two underlying approaches for the differing techniques we can use – deductive and inductive. This article will compare the two, describe how they work, what they look like, and what benefits they can offer us when we need to present something new to our learners.
