Life after death: A WORLD
renowned doctor has revealed
to the world what it is like
to die and says the process
is “peaceful” and

“pleasant”. Dr Sam Parnia, director of critical care and resuscitation research at NYU Langone School of Medicine in New York City, said dying is “very comfortable”. And the doctor said people who have had a

What if you could live again

right? On a cold and snowy
night in 1910, Ursula Todd
is born to an English banker
