"Both flirty and intense, and combining a luxury fashion setting with the English aristocracy, this love story will elicit many a contented sigh among romance fans."—Kirkus To woo this American woman, this British aristocrat is going to have to take a walk in her shoes... With paparazzi nipping at his heels, Devon Heyworth, rakish brother of the Duke of Northrop, spends his whole life hiding his intelligence and flaunting his playboy persona. Fast cars and faster women give the tabloids plenty to talk about. American entrepreneur Sarah James is singularly unimpressed with "The Earl" when she meets him at a wedding. But she's made quite an impression on him. When he pursues her all the way across the pond, he discovers that Miss James has no intention of being won over by glitz and glamor—she's got real issues to deal with, and the last thing she needs is larger-than-life royalty mucking about her business... Praise for USA Today bestseller A Royal Pain: "A romantic, fantastic, enchanting treat...Don't miss A Royal Pain!"—Eloisa James, New York Times bestselling author of The Ugly Duchess "Megan Mulry is a must-read author. Highly recommended."—Jennifer Probst, New York Times bestselling author of The Marriage Mistake "Filled with clever characters, witty banter, and steamy sex, readers won't be able to put it down."—RT Book Reviews, 5 Stars

"A romantic, fantastic, enchanting treat."—Eloisa James, New York Times bestselling author of The Ugly Duchess for A Royal Pain Being royal isn't all it's cracked up to be... Abigail Heyworth, youngest daughter of the 18th Duke of Northrop, is not your typical British royal—she'll take a recycling drive over a charity ball any day. She can't stand hats and heels. Abby's not getting much sympathy, of course, because everyone thinks the life of royalty is so charmed. But to Abigail, keeping up appearances is unbearable, while running away doesn't seem to work either. Just when she feels like she's getting whiplash from swinging between flat-out rebellion to miserable capitulation, Abigail meets an all-American self-made millionaire who challenges her on every level. It may turn out that what Abigail is searching for kind of resembles the American Dream... Praise for USA Today bestseller A Royal Pain: "A delightful love story...worth reading again and again."—Publishers Weekly, Starred Review "Filled with clever characters, witty banter, and steamy sex, readers won't be able to put it down."—RT Book Reviews, 4 1/2 stars "Fresh, funny, and engaging."—Booklist

Lord Archibald Cambury, Marquess of Camburton, has never wanted for anything . . . except normalcy. Although he adores both of his loving mothers, and his vivacious twin sister with her two husbands, he wants a wife. One wife. Full stop. Is that so much to ask? Miss Selina Ashby appears to be everything Archie has always wanted in a marchioness: demure, soft-spoken, and pretty, with a quick mind and delectable humor. Yes, she is a bit forward, but he chalks that up to youth. Yes, she has a very particular friend in Beatrix Farnsworth, but he chalks that up to loyalty. He is a lord; she is a lady; they are in love. And so they marry. That should be the end of it. But when Archie discovers that his wife is as passionate with her particular friend Beatrix as he is with his particular friend Christopher, his world is shattered. He must decide if Selina's love is big enough for both of them—and whether normalcy is truly more important than the love he feels for both the man and the woman who have become so dear to him.

USA Today Bestseller! "A delightful love story...worth reading again and again."—Publishers Weekly Starred Review A life of royalty seems so attractive...until you're invited to live it... Smart, ambitious, and career driven, Bronte Talbot started following British royalty in the gossip mags only to annoy her intellectual father. But her fascination has turned into a not-so-secret guilty pleasure. When she starts dating a charming British doctoral student, she teases him unmercifully about the latest scandals of his royal countrymen, only to find out—to her horror!—that she's been having a fling with the nineteenth Duke of Northrop, and now he wants to make her...a duchess? In spite of her frivolous passion for all things royal, Bronte isn't at all sure she wants the reality. Is becoming royalty every American woman's secret dream, or is it a nightmare of disapproving dowagers, paparazzi, stiff-upper-lip tea parties, and over-the-top hats? "Laugh-out-loud funny with super sexy overtones."—Catherine Bybee, New York Times bestselling author of Wife By Wednesday "Take one sparky, sailor-mouthed American girl and one handsome English aristocrat. Put them together and watch the sparks fly. Sizzling fun!"—Jill Mansell, New York Times bestselling author of Nadia Knows Best "A whole new twist on trans-Atlantic romance-sexy, fresh, and delightfully different."—Susanna Kearsley, New York Times bestselling author of Mariana

A perfect life — until one letter threatens to unravel it all. Lady Vanessa Cambury, Marchioness of Camburton, adores her life of bucolic contentment with her partner, acclaimed portrait painter Nora White. Together, they have raised two children from Vanessa's first marriage and built a home filled with purpose, ease, happiness, and passion—always passion. But when Nora receives word that the child she lost twenty years ago is alive and in England, ancient heartache threatens to destroy their idyll. To salvage their love, they must come to a deeper understanding of who they are—in the world, and to one another. Nora must learn to overcome the dark shadows of her past. Vanessa must learn to put others' needs before her own. And Nora's stubborn daughter must find it in her heart to forgive the mother she thought abandoned her. This unconventional family must rely on the powerful links of love and mercy to bind them back together.

SECOND CHANCE... The Marchioness of Wick is about to get a second chance at life, whether she wants it or not. After twenty years in a loveless marriage to a duplicitous British aristocrat, Claire Heyworth Barnes finds herself broke and alone. Encouraged by her dynamic American sisters-in-law, the shy royal decides to start over in New York City. When she lands a job with a famous interior designer, Claire accidentally reconnects with the first-and-only-man she ever loved. FIRST LOVE... Benjamin Hayek has never forgiven Claire for the heartless way she left him when they were teenagers in the south of France. And even if he could, Claire's not sure she has the courage to contend with how he makes her feel. Can they build a new love from an old flame? Or will a bitter history and a complicated future stand in their way?

Miki has her perfect life thrown off track by a tragedy and finds herself traveling to St. Petersburg to take over her father's billion-dollar business, a situation complicated by a French playboy rival who is everything she wants.

Middle Daniels calls it the leaving season: the time of year when everyone graduates high school, packs up their brand-new suitcases, and leaves home for the first time. This year Middle's boyfriend, Nate, is the one leaving, heading to Central America for a year of volunteering after graduation. And once he returns, it'll be time for Middle to leave, too. With him. But when tragedy strikes, Middle's whole world is set spinning. No one seems to understand just how lost she is . . . except for Nate's slacker best friend, Lee. Middle and Lee have never gotten along. But with the ground ripped out from under her, Middle is finding that up is down—and that Lee Ryan might be just what she needs to find her footing once more. Car Jordan's heartbreaking story proves that no matter the season, no matter the obstacles, love can help you find yourself in the most unexpected of places.

In this hilarious sequel to The Royal Treatment, Princess Alexandria Baranov sets her sights on marine biologist Dr. Shel Rivers, an ornery Ph.D. who finds his life forever changed by this gorgeous, yet exasperating woman who wreaks havoc on his heart. Original.

The clitoris is the devil's doorbell... So say those threatened by female sexuality, afraid of the power of a woman who claims her own pleasure. Seven powerhouse authors take on the topic with erotic stories that wrestle the notion that a sexual woman is a dangerous woman. Perhaps there is reason to fear.
