A unique collection of essays that deal with the intriguing and complex problems connected to the question of Jewish identity in the contemporary world. Concerning the problem of identity formation, this book addresses very important issues: What is the content or meaning of Jewish identity? What has

Access PDF New Jewish Identities Contemporary

Europe And Beyond

replaced religion in defining the content of Jewishness? How do people in different age groups construct their Jewish identity? In most cases, the authors have combined a variety of research methods: they drew samples or relied on the sample surveys of others; used personal interviews with respondents who are especially knowledgeable about their own Jewish communities, or based their research on participant observation of particular communities or communal institutions.

Providing an assessment of Jewish identity, this volume

Acces PDF New Jewish Idenies Contemporary

Europe And Beyond

presents critical engagements with a number of Jewish writers and filmmakers from a variety of European countries, including Austria, France, Germany, Poland, and the UK. The novels and films discussed explore the meaning of being Jewish in Europe today, and investigate the extent to which this experience is shaped by factors that lie outside the national context, notably by the relationship to Israel. As the recent attacks on Charlie Hebdo, and the targeting of a Jewish supermarket in Paris, demonstrate, these questions

Acces PDF New Jewish Idenies Contemporary

Europe And Beyond
are more pressing than ever,
and will challenge Jews,
as well as Jewish writers and
intellectuals, as they
explore the answers. This
book was originally
published as a special issue
of Jewish Culture and
History.

Jewish life in Europe has
undergone dramatic changes
and transformations within
the 20th century and also
the last two decades. The
phenomenon of the dual
position of the Jewish
minority in relation to the
majority, not entirely
unusual for Jewish Diaspora
communities, manifested
itself most distinctly on

Acces PDF New Jewish Idenies Contemporary

Europe And Beyond. This unique Jewish experience of the ambiguous position of insider and outsider may provide valuable views on contemporary European reality and identity crisis. The book focuses inter alia on the main common denominators of contemporary Jewish life in Central Europe, such as an intense confrontation with the heritage of the Holocaust and unrelenting antisemitism on the one hand and on the other hand, huge appreciation of traditional Jewish learning and culture by a considerable part of non-Jewish Europeans. The volume includes

Acces PDF New Jewish Idenies Contemporary

Contributions on Jewish life in central European countries like Hungary, the Czech Republic, Poland, Austria, and Germany.

Among the problems considered are: what the Furure holds for the Jews of Europe; what it means to be Jewish in the countries of Eastern Europe; hopes and uncertainties in religious trends; development of interfaith relations.

The drawing of boundaries has always been a key part of the Jewish tradition and has served to maintain a distinctive Jewish identity. At the same time, these

Acces PDF New Jewish Idenies Contemporary

boundaries have consistently been subject to negotiation, transgression and contestation. The increasing fragmentation of Judaism into competing claims to membership, from Orthodox adherence to secular identities, has brought striking new dimensions to this complex interplay of boundaries and modes of identity and belonging in contemporary Judaism.

Boundaries, Identity and Belonging in Modern Judaism addresses these new dimensions, bringing together experts in the field to explore the various and fluid modes of expressing and defining

Acces PDF New Jewish Idenies Contemporary

Jewish identity in the modern world. Its interdisciplinary scholarship opens new perspectives on the prominent questions challenging scholars in Jewish Studies. Beyond simply being born Jewish, observance of Judaism has become a lifestyle choice and active assertion. Addressing the demographic changes brought by population mobility and 'marrying out,' as well as the complex relationships between Israel and the Diaspora, this book reveals how these shifting boundaries play out in a global context, where

Acces PDF New Jewish Idenies Contemporary

Orthodoxy meets innovative ways of defining and acquiring Jewish identity. This book is essential reading for students and scholars of Jewish Studies, as well as general Religious Studies and those interested in the sociology of belonging and identities.

Since ancient times, Jews have had a long and tangled relationship to cosmopolitanism. Torn between a longstanding commitment to other Jews and the pressure to integrate into various host societies, many Jews have sought a third, seemingly neutral option, that of becoming

Acces PDF New Jewish Idenies Contemporary

citizens of the world:
cosmopolitans. Few regions
witnessed such intense
debates on these questions
as the lands of East Central
Europe as they entered the
modern era. From Berlin to
Moscow and from Vilna to
Bucharest, the Jews of East
Central Europe were
repeatedly torn between
people, nation and the
world. While many Jews and
individuals of Jewish
descent embraced
cosmopolitan ideologies and
movements across the span of
the nineteenth century, such
appeals to transcend the
nation became increasingly
suspect with the rise of
integral nationalism. In

Acces PDF New Jewish Idenies Contemporary

Germany, Poland, Russia and other lands, Jews and other supporters of cosmopolitan movements were marginalized during the late nineteenth and early twentieth centuries. Although such sentiments reached their peak during the Second World War, anti-cosmopolitan propaganda continued throughout the Cold War when it often became an integral part of anti-Jewish campaigns in the Soviet Union, Czechoslovakia, Poland and Romania. Even after the end of the Cold War, the connection between Jews and cosmopolitanism continues to befuddle ideologues, cultural leaders

and politicians in Europe,
North America and Israel.
The fourteen chapters
amassed in this volume
address these and other
questions including: What
lies at the roots of the
longstanding connection
between Jews and
cosmopolitanism? How has
this relationship changed
over time? What can
different cultural, economic
and political developments
teach us about the ongoing
attraction and tension
between Jews and
cosmopolitanism? And, what
can these test cases tell us
about the future of Jews and
cosmopolitanism in the
twenty-first century? This

many of which were organized according to the Ottoman millet system - this book provides a diverse range of insights into Jewish life and Jewish-Gentile relations in what became Greece, Yugoslavia, Romania and Bulgaria after World War II. Further, the contributors conceptualize the issues in focus from a historical perspective. In these diachronic case studies, virtually the whole 20th century is covered, with a special focus paid to the shifting identities, the changing communities and the memory of the Holocaust, thereby providing a very useful parallel to today's

Europe And Beyond
post-war and divided societies. Drawing on relevant contemporary approaches in historical research, this book complements the field with topics that, until now in Jewish studies and beyond, remained on the edge of the general research focus. This book was originally published as a special issue of Southeast European and Black Sea Studies.

This volume comprises three main parts: The first includes five broad overviews of the current status of Jewish affairs. The second part includes six chapters, each of which

Access PDF New Jewish Identities Contemporary

reviews the main recent trends and policy issues relevant to Jewish life in six world regions which articulate contemporary Jewish life: North America; Latin America; Europe and the European Union; the Former Soviet Union; Asia, Africa, and the Pacific; and Israel. The third part introduces an overview of the goals and tasks accomplished by the main Jewish institutions and organizations worldwide in the definition and defense of Jewish interests.

The 2012 American Jewish
Year Book, "The Annual
Record of American Jewish

Before the USSR collapsed, ethnic identities were imposed by the state. This book analyzes how and why Jews decided what being Jewish meant to them after the state dissolved and describes the historical evolution of Jewish identities. Surveys of more than 6,000 Jews in the early and late 1990s reveal that Russian and Ukrainian Jews have a deep sense of their Jewishness but are uncertain what it means. They see little connection between Judaism and being Jewish. Their attitudes toward Judaism, intermarriage and Jewish nationhood differ

Acces PDF New Jewish Idenies Contemporary

dramatically from those of Jews elsewhere. Many think Jews can believe in Christianity and do not condemn marrying non-Jews. This complicates their connections with other Jews, resettlement in Israel, the United States and Germany, and the rebuilding of public Jewish life in Russia and Ukraine. Post-Communist Jews, especially the young, are transforming religious-based practices into ethnic traditions and increasingly manifesting their Jewishness in public.
