It is this same barn burning tactic which the 'Sultan of Spin' brings to the fore in his recent offering, an autobiography that is unsurprisingly titled, "No Spin". Written along with the redoubtable Mark Nicholas, "No Spin" ("the book") is explosive, energetic and in more passages than some, extraordinary.

No Spin: My Autobiography by Shane Warne

'My story, without the spin.' From the start of his glittering career in 1992, to his official retirement from all formats of the game in 2013, Shane Warne has long desired to tell his incredible story without compromise. No Spin is that very story. It will offer a compelling intimate voice, true insight and a pitch-side seat to one of cricket's finest eras, making this one of the ultimate must-have sports autobiographies.

'My story, without the spin.' From the start of his glittering career in 1992, to his official retirement from all formats of the game in 2013, Shane Warne has long desired to tell his incredible story without compromise. No Spin is that very story. It will offer a compelling intimate voice, true insight and a pitch-side seat to one of cricket's finest eras, making this one of the ultimate must-have sports autobiographies. Shane is not only one of the greatest living cricket legends: he is as close as the game has had since Botham to a maverick genius on the field and a true rebel spirit off it, who always gives audiences what they want. Despite being the talismanic thorn in England's side for nearly two decades of regular Ashes defeats, he was also much loved in the UK where he played cricket for Hampshire. He's also a much-admired figure in India and South Africa. Alongside his mesmerising genius as a bowler, Shane has often been a controversial figure, and in this book he's talk with brutal honesty about some of the most challenging times in his life as a player. Honest, thoughtful, fearless and loved by millions, Shane is always his own man and this book is a testament to his brilliant career.

Everyone knows the story, or thinks they do. The leg-spinner who rewrote the record books. One of Wisden's five cricketers of the twentieth century. A sporting idol across the globe. A magnet for the tabloids. But the millions of words written and spoken about Shane Warne since his explosive arrival on the Test cricket scene in 1992 have only scratched the surface. The real story has remained untold. In No Spin, Shane sets the record straight. From his extraordinary family history to his childhood as a budding Aussie Rules footballer in suburban Melbourne. From the legendary 'Gatting ball' to his history-making 700th Test wicket. From the controversy surrounding the diuretic pill in South Africa to his high-profile relationship with Hollywood star Elizabeth Hurley. Nothing is off limits, and Shane tackles it all with his trademark directness and humour. These days an incisive, charismatic TV commentator and analyst, the 'Sultan of Spin' also lets us in on the mysterious art of leg-spin bowling, revealing the secrets of some of his deadliest deliveries. As Shane says, 'Few batsmen, if any, truly know what I do.' A sporting great, a celebrity, a family man and a self-confessed regular Aussie bloke from the suburbs, in No Spin Shane offers a compelling insight into how a boy from Black Rock changed the face of cricket forever.

Shane Warne is arguably the greatest spinner of all time - he has taken 356 wickets in 82 tests since his debut in the Sydney Test in the 1991-92 series. Here he talks about his early ambitions, and offers a colourful narrative account of the various Ashes series in which he has been involved. He also offers his personal views on sportsmanship and the relationship between Australia and Sri Lanka, as well as providing his thoughts on captaincy and the leg-spinners he respects. He talks candidly about his fascination with gambling, and about the conflict between his public persona and private life.

The number 1 bestseller in paperback. One of the greatest cricketers of all time, Ricky Ponting boasts more records than any other player in Australian history including the most wins as a player and a captain, as well as being Australia's highest run-scorer in test and ODI cricket. From childhood prodigy to the highs and lows of an extraordinary international career, At the Close of Play is the remarkable autobiography of one of the game's greats. But beyond the triumphs and scandals, records and retirement, this is the story of a life lived in cricket and of a life shaped by extraordinary talent and the people who believed in that talent.

THE SUNDAY TIMES BESTSELLER SHORTLISTED FOR SPORTS AUTOBIOGRAPHY OF THE YEAR AT THE 2020 TELEGRAPH SPORTS BOOK AWARDS. BEN STOKES: WINNER OF THE 2019 BBC SPORTS PERSONALITY OF THE YEAR AWARD 'He is the Special One, and I intend to call him that for the rest of his career' Sir Ian Botham, Daily Telegraph 'There are not enough superlatives to describe Ben Stokes' Nasser Hussain, Daily Mail 'The undisputed hero of English cricket' The Times Early evening on Sunday 14th July 2019. Lord's Cricket Ground in London. Something unprecedented had just happened: England had won the Cricket World Cup for the very first time since the tournament's inception in 1975. At the epicentre of England's historic triumph was Ben Stokes, the talismanic all-rounder with an insatiable appetite for The Big Occasion. He contributed a critical 84 runs off 98 balls when England batted, a seemingly nerveless innings of discipline and maturity. Thrillingly, it was enough to tie the scores at 241 runs each, so the match reverted to a Super Over - just six balls for each side to bat in the ultimate in sporting sudden-death. Stokes and Jos Buttler saw England to 15 runs off their over. When it was finally confirmed that Martin Guptill had been run out off the very last ball of New Zealand's Super Over with the scores level once again, England had astonishingly won on the boundary count-back, and the nation could finally breathe again. Early evening on Sunday 25th August 2019. A sun-drenched Headingley in Leeds. Having been bowled out for just 67 earlier in the Third Test, England were facing the prospect of failing to regain the Ashes. In their second innings England were still 73 runs short of victory with a solitary wicket remaining. Australia were near certainties to retain the Ashes there and then. Cue one of the most amazing innings ever witnessed as Ben Stokes thrashed the Australian bowlers to all corners of the ground, in the process scoring 135 not out, driving England to a barely-believable one-wicket victory, and keeping the series very much alive. The nation took another breath. On Fire is Ben Stokes' brand new book, and in it he tells the story of England's electrifying first ever Cricket World Cup triumph, as well as this summer's momentous Ashes Test series. It is the ultimate insider's account of the most nerve-shredding but riveting three-and-a-half months in English cricket history.

Mike Brearley was arguably one of England's finest cricket captains; not just for his outstanding record leading his country but also for the way he orchestrated, during the 1981 Ashes series, one of the most extraordinary reversals in sporting history. In this collection of sparkling essays, Brearley reflects on the game he has come to know so well. He ranges from the personal - the influence of his Yorkshire father and the idols of his youth - to controversial aspects of the professional game, including cheating, corruption, and innovation, the latter often being on a borderline between genius and rebellion. Brearley also evaluates his heroes (amongst them Viv Richards, Bishan Bedi and Dennis Lillee), the game changers, the outstanding wicketkeepers, the 'Indian-ness' of four generations of Indian batsmen and the important commentators (including Harold Pinter, John Arlott and Ian Chappell). The Ashes, the most sustained love-hate relationship in the history of sport and key to Brearley's test-playing career, are raked over. Central to the book is an important section on race and cricket, and the legacy of C. L. R. James. Insightful and humorous, On Cricket is an intelligent exposition of the game's idiosyncratic culture and its enduring appeal.

The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

THE SUNDAY TIMES BESTSELLER 'Outrageous, audacious, jaw-dropping' SUNDAY TIMES 'An essential read' DAILY MAIL 'Utterly captivating' DAILY TELEGRAPH 'Hugely entertaining' GUARDIAN The fascinating life story of professional cricketer Kevin Pietersen, MBE, from his childhood in South Africa to his experiences as one of the leading lights in the world of international cricket. Kevin was dropped from the England squad in February 2014, seemingly calling time on an international career that began nearly ten years earlier. The decision puzzled many observers - although the England team had failed miserably in the Ashes tour of 2013-14, Kevin was the tourists' leading run scorer across the series, and he remains the country's highest run scorer of all time across all formats of the game. Kevin reveals all in his autobiography, telling the stories behind the many other highs and lows of his incredible career. Giving readers the full story of his life, from his childhood in South Africa to his experiences as one of the leading lights in the world of international cricket, KP is an autobiography that entertains and fascinates readers in equal measure.

A tell-all book on and by Pakistan cricket's fastest and most controversial bowler One of the most talented and certainly one of the most colourful players in the history of cricket, Shoaib Akhtar holds the record for the fastest delivery ever, clocking in at 11.2 mph. Having taken more than 400 wickets in his international career, Shoaib has seen it all-the best matches, the most exciting tournaments, the highs and lows of personal achievement and failure. Controversially Yours is his take on the game, on his peers, on the fraught tussles between bowlers and batsmen and, of course, the institutions that control the sport, including the ICC and the Pakistan Cricket Board. From the early days of struggle to the 2011 World Cup, this is Shoaib's story in his own words, straight from the heart.

A stylish batsman who could score against any kind of bowling, VVS Laxman played over a hundred Tests to aggregate more than 8,000 runs. Cricket fans still remember with awe his game-changing knock of 281 against Australia in 2001 at Eden Gardens. But playing for India was never easy. He was dropped as often as he was picked, and despite his vast experience and unimpeachable skill, he never made it to a World Cup team. All through his playing years, Laxman was known to be a soft-spoken man who kept his distance from controversy. Which is what makes this autobiography truly special. It's candid and reflective, happy and sad by turns, and deeply insightful. He writes of dressing-room meltdowns and champagne evenings, the exhilaration of playing with and against the best in the world, the nuances of batting in different formats and on various pitches, the learnings with John Wright and the rocky times under Greg Chappell. In 281 and Beyond, Laxman lays bare the ecstasy and the trauma of being one of the chosen XI in a country that is devoted to cricket.
