In this surprisingly dispassionate account, Escobar examines the meteoric career of Pablo Escobar, a notorious Medellin cartel boss. To the world, the senior Escobar was a supervillain; to the author, he was Dad, and the son attempts to set the record straight about a man who had become myth long before his violent death.

□Pablo Escobar: My Father on Apple Books

Praise for Pablo Escobar: My Father "While focusing largely on his father, Escobar also includes the grim repercussions the cartel boss's career had on his family. The matter-of-fact prose serves the material well—when one's daily life is a surreal blur of excess and danger, there's no need for

embellishment.”–

"THE INTERNATIONAL BEST SELLER! When Pablo Escobar died in 1993, his seventeen-year-old son initially vowed revenge. But Juan Pablo quickly recognized that reaction entailed following in his father's footsteps--something neither he nor his father ever wanted. Their lives in immense danger, Juan Pablo, his mother, and his sister assumed new identities and fled to Argentina, where he would spend the next two decades grappling with his father's legacy. Now an architect and advocate of drug policy reform, Juan Pablo breaks his silence to tell his side of the story, shedding new light on the infamous kingpin--the man who was also his loving father"--

THE POPULAR SERIES NARCOS CAPTURES ONLY HALF THE TRUTH. HERE, AT LAST, IS THE FULL STORY. THE INTERNATIONAL BEST SELLER! Until now, we believed that

everything had been said about the rise and fall of Pablo Escobar, the most infamous drug kingpin of all time, but these versions have always been told from the outside, never from the intimacy of his own home. More than two decades after the full-fledged manhunt finally caught up with the king of cocaine, Juan Pablo Escobar travels to the past to reveal an unabridged version of his father—a man capable of committing the most extreme acts of cruelty while simultaneously professing infinite love for his family. This is not the story of a child seeking redemption for his father, but a shocking look at the consequences of violence and the overwhelming need for peace and forgiveness.

THE INTERNATIONAL BESTSELLER FROM PABLO ESCOBAR'S SON Until now, we believed that everything had been said about the rise and fall of the most infamous drug lord of all time, Pablo Escobar – from books to film to the cult series 'Narcos'. But these versions have always been told from the outside, only capturing half the truth, and never from the intimacy of his own home. Now, more than two decades after the full-fledged manhunt finally caught up with Escobar, his son brings us the dramatic truth as never before. Here we find a man of contradictions – generosity and infinite love for his family; yet capable of the most extreme acts of cruelty and violence. In a deeply personal exploration of his father, we see the inner world of a man who was celebrated by some as a benevolent Robin Hood figure and by others, as a dangerous leader of the most ruthless mafia organisation in human history, reaping vengeance and death on anyone that might stand in his way. When Escobar died, his then teenage son vowed revenge. But Escobar Jr. quickly recognised that meant following in his father's footsteps—something neither of them had ever wanted. With his change of heart, he denounced the Pablo Escobar legacy. This is far from the story of a child seeking redemption, but a shocking look at the consequences of violence and his attempt to come to terms with it.

Pablo Escobar was the most notorious drug lord the world has ever seen. He became one of the ten richest men on the planet and controlled 80 per cent of the global cocaine trade before he was shot dead in 1993. This is the long-awaited autobiography of his eldest son, Roberto Sendoya Escobar. His story opens with two helicopter gunships, filled with heavily armed Colombian Special forces personnel led by an MI6 agent, flying into a small village on the outskirts of Bogota in Colombia. The secret mission to recover a stolen cash hoard, culminates in a bloody shoot-out with a group of young Pablo Escobar's violent gangsters. Several of the men escape, including the young Escobar. As the dust settles in the house, only a little baby is left alive. His distressing cries can be heard as his young mother lies dead beside him. That baby is the author, Roberto Sendoya Escobar. In a bizarre twist of fate, the top MI6 agent who led the mission, takes pity on the child and, eventually, ends up adopting him. Over the years, during his rise to prominence as the most powerful drug lord the world has ever known, Pablo Escobar tries, repeatedly, to kidnap his son. Flanked by his trusty bodyguards, the child, unaware of his true identity, is allowed regular meetings with Escobar and it becomes apparent that the British government is working covertly with the gangster in an attempt to control the money laundering and drug trades. Life becomes so dangerous, however, that the author is packed off from the family mansion in Bogota to an English public school. Many years later in England, as Roberto's adopted father lies dying in hospital, he hands his son a coded piece of paper which, he says, reveals the secret hiding place of the 'Escobar Missing millions' the world has been searching for! The code is published in this book for the first time.

****A Sunday Times Book of the Year**** The closest you'll ever get to the most infamous drug kingpin in modern history, told by the person who stood by his side The story of Pablo Escobar, one of the wealthiest, powerful and violent criminals of all time has fascinated the world. Yet the one person closest to him has never spoken out – until now. Maria Victoria Henao met Pablo when she was 13, eloped with him at 15, and despite his numerous infidelities and violence, stayed by his side for the following 16 years until his death. At the same time, she urged him to make peace with his enemies and managed to negotiate her and her children's freedom after Pablo's demise. On the 25th anniversary of Pablo's death, the most intriguing character in the Escobar narrative is ready to share her story and reveal the real man behind the legend.

I've begged God for forgiveness, but I won't know till the day I die if He has truly forgiven me ... I've paid my dues to society by serving my long sentence, but perhaps I haven't earned His indulgence ... Oh my God, I've lived so many different lives! I survived Pablo Escobar Gaviria, El Patrón (The Boss), and it was the strength of his indomitable spirit that kept me going all these years; I don't quite know how or why. I still feel his presence every day of my existence. The Medellin cartel's crimes weigh as heavily on my shoulders today as they did yesterday. My youth, wasted in crime, became the sword that now hangs over my graying head. To the world, I'll always be known by my alias, Popeye, the fearsome hitman of the Medellin cartel, Pablo Escobar Gaviria's right-hand man ... How can I make you understand I'm a new man ... that twenty-three years behind bars in that hellhole have transformed the person I once was. Now the freedom I yearned for is vanishing in the murderous hands of my enemies. Perhaps fate has extended my life only to toy with me by preparing my own dying moments. I survived in captivity but I don't know if I'll be able to live in freedom ... A prisoner of my own mind, I'll try to fight to find some peace ... It's very cold ... now it's August 2014. I'm one step from freedom and I'm still breathing ... still here in this dimly lit cell in the maximum security prison in Cómbita, Boyacá.

Known in history as one of the ruthless Columbian drug lord, the life of Pablo Emilio Escobar Gaviria will remain forever as the 'King of Cocaine'. He would be remembered throughout Colombia as the toughest criminal of all times. Instead of gaining his authority and power through politics as 'President', Pablo became one of the world's notorious criminal, and ruled not the country but the Medellin cartel. His name rose to fame, and his notorious act that he carried out from 1970 to 1980 was well documented. Later in his criminal career as a drug dealer, Escobar collaborated with other tough criminals from the Medellin Cartel and subsequently controlled more than 80% of the cocaine that is shipped to the U.S. Discover more about his life, his biography and more about his criminal and political career as you read this book.

"I have many scars. Some of them are physical, but many more are scars on my soul. A bomb sent to kill me while I was in a maximum security prison has made me blind, yet now I see the world more clearly than I have ever seen it before. I have lived an incredible adventure. I watched as my brother, Pablo Escobar, became the most successful criminal in history, but also a hero to many of the people of Colombia. My brother was loved and he was feared. Hundreds of thousands of people marched in his funeral procession, and certainly as many people celebrated his death." These are the words of Roberto Escobar-the top accountant for the notorious and deadly Medellín Cartel, and brother of Pablo Escobar, the most famous drug lord in history. At the height of his reign, Pablo's multibillion-dollar operation smuggled tons of cocaine each week into countries all over the world. Roberto and his ten accountants kept track of all the money. Only Pablo and Roberto knew where it was stashed-and what it bought. And the amounts of money were simply staggering. According to Roberto, it cost \$2,500 every month just to purchase the rubber bands needed to wrap the stacks of cash. The biggest problem was finding a place to store it: from secret compartments in walls and beneath swimming pools to banks and warehouses everywhere. There was so much money that Roberto would sometimes write off ten percent as "spoilage," meaning either rats had chewed up the bills or dampness had ruined the cash. Roberto writes about the incredible violence of the cartel, but he also writes of the humanitarian side of his brother. Pablo built entire towns, gave away thousands of houses, paid people's medical expenses, and built schools and hospitals. Yet he was responsible for the horrible deaths of thousands of people. In short, this is the story of a world of riches almost beyond mortal imagination, and in his own words, Roberto Escobar tells all: building a magnificent zoo at Pablo's opulent home, the brothers' many escapes into the jungles of Colombia, devising ingenious methods to smuggle tons of cocaine into the United States, bribing officials with literally millions of dollars-and building a personal army to protect the Escobar family against an array of enemies sworn to kill them. Few men in history have been more beloved-or despised-than Pablo Escobar. Now, for the first time, his story is told by the man who knew him best: his brother, Roberto.
