wants to stay out of trouble long enough to lose the Mark of Cain, which drafted her into hunting demons for God. A former agnostic, she's still recovering from being the latest point of contention between the two men in her life--Cain and Abel. Now she's working for a cherub who thinks putting her undercover as a housewife is the best way to ferret out a rogue vampire hiding in an idyllic Orange County, California residential community. Eve knows when she's being used as a pawn in the celestial political game. Now, she just has to figure out who's the greater threat: the vampire she's hunting, the cherub yanking her chain, or the two brothers vying to play the role of her spouse--'til death do them part. Which in her line of work, could happen any minute... EVE OF SIN CITY Sin City--Las Vegas--is home to humans and Infernals of all sorts: the good, the bad, and the ugly. If you ask Evangeline Hollis, "good" is in short supply, "ugly" might be amusing, but "bad" is most definitely her business. Eve is a Mark, a heavenly bounty hunter, and Las Vegas is her territory.

Cursed by God, hunted by demons, desired by Cain and Abel... All in a day's work. For Evangeline Hollis, a long ago fling with a bad boy from the wrong side of the tracks just became a disaster of biblical proportions. One night with a leather-clad man of mystery has led to a divine punishment: the Mark of Cain. Thrust into a world where sinners are drafted into service to kill demons, Eve's learning curve is short. A longtime agnostic, she begrudgingly maneuvers through a celestial bureaucracy where she is a valuable but ill-treated pawn. She's also become the

From the #1 New York Times bestselling author of *Bared to You* comes *Eve of Chaos*. When Evangeline Hollis spent a night of passion with the darkly seductive Alec Cain, she had no idea that she'd be punished for it years later. Branded with the Mark of Cain, Eve was thrust into a life of hunting demons as penance. Living with the Mark-and the two sexy brothers who come with it-was trouble enough. But then Eve ran over Satan's hellhound during training. Now Satan, incensed at the loss of his pet, has put a bounty on Eve's head, and every demon in the country wants to be the one to deliver her. Meanwhile, Eve's formerly insatiable one-night stand is acting distant. Cain says he still wants Eve, and she believes him, but scorching hot sex isn't enough. Not after knowing what it was like to have more. As Cain's role in Eve's life becomes more and more uncertain, Abel doesn't hesitate to step in. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
