Den Kampf um eine neue Welt trägt jeder zuerst in sich selbst aus. Bist Du dazu bereit? Nur etwas kann verhindern, dass wir unsere Träume verwirklichen: unsere eigene Angst. >Schutzengel

Den Kampf um eine neue Welt trägt jeder zuerst in sich selbst aus. Bist Du dazu bereit? Nur etwas kann verhindern, dass wir unsere Träume verwirklichen: unsere eigene Angst. □Schutzengel□ □ ein modernes spirituelles Abenteuer, in dem ein Mann mit seinen Zweifeln ringt und seine Ängste überwindet.

From Bernhard Schlink, the internationally best-selling author of *The Reader*, come seven provocative and masterfully calibrated stories. A keen dissection of the ways in which we play with truth and less-than-truth in our lives. *Summer Lies* brims with the delusions, the passions, the outbursts, and the sometimes irrational justifications people make within a mélange of beautifully rendered relationships. In *After the Season*, a man falls quickly in love with a woman he meets on the beach but wrestles with his incongruous feelings of betrayal after he learns she's rich. In *Johann Sebastian Bach on Ruegen*, a son tries to put his resentment toward his emotionally distant father behind him by proposing a trip to a Back festival but soon realizes, during his efforts to reconnect, that it wasn't his father who was the distant one. A philandering playwright is accused to infidelity by his wife in *The Night in Baden-Baden*, but he sees her accusations as nothing more than a means to exculpate himself of his guilt as he carries on with his ways. And in *Stranger in the Night*, an obliging professor becomes an accomplice—not entirely unwittingly—to the temporary escape of a charismatic fugitive on a delayed flight from New York to Frankfurt. The truth, as once character puts it, is *passionate, beautiful sometimes, and sometimes hideous, it can make you happy and it can torture you, and it always sets you free.* Tantalizingly, so is the act of telling a lie—to others and to ourselves.

'They were all the same, communists, Nazis, parents, church, book reviews, features section, editorial, revolutionary struggle, Baader-Meinhof, capital, television, Club Voltaire, pacifism, guerrilla, Mao, Trotsky, Red Student Action, the underground scene and Germania Security. They were all part of the same idea, they knew how things ought to be, they had a monopoly on consciousness, love, human happiness.' In *Raw Material* Jrg Fauser casts an eye over the times he lived in and his own life: a junkie in Istanbul, the move to a commune in Berlin and a squat in Frankfurt, work on an underground magazine and unceasing efforts to get a novel published. The autobiographical testament of Fauser's alter ego Harry Gelb is an unsparing, razor-sharp but often lovingly ironic portrait of the 1960s and 70's. It is a portrait of the artist to rank with the best, and a portrait of the ferment of Europe at that time.

The Vision behind Unconditional BasicIncome, an idea that already has history. It is a story picturing the vision behind the idea of all people receiving an unconditional monthly amount of money their whole life long to cover their basic needs. In this story a couple in love is in the role of the leader of the USA and implements UBI on their own wise way into life for all people. When we don't have a vision, we are continuing with short term solutions within old believes. This book is feeling and imagining out

of the box, bringing utopia into reality, asking new questions and working out fundamental new solutions. It is about Tara and Nevio, leaders, how life prepared them for the purpose of being President to integrate this financial floor into society for everyone. It describes their journey from vision, research, discussion, action to becoming reality and it describes an idea how to finance it with the help of the YangCoin, a cryptocurrency invented just for the payment of UBI to the people, decentralized, non-governmental. The story combines imagination, real life experience, real facts and links so that the reader can realize how close we could be to this idea of receiving UBI and what amazing evolutionary fundamental change this impact-chain-reaction with UBI will start. With describing a possible vision we all can have a glimpse of the whole picture of change. Learn more about the content, watch the Booktrailers: <https://www.youtube.com/watch?v=vRa70Mc2IRE>

“The queen of paranormal romance!” J.R. Ward, New York Times bestselling author The ninth book in #1 New York Times bestselling author Christine Feehan's paranormal Dark series. They were masters of the darkness, searching through eternity for a mistress of the light. . . He ran with wolves. . . materialized from the mists. . . hijacked the very heavens to whims. . . He was the dark guardian of his people. So how, after centuries of a bleak, soulless existence, had he, Lucian Daratrazanoff, suddenly come to the crave petite, curvy colorful lady cop Jaxon Montgomery, who foolishly made it her life's work to protect others from harm? Fiercely daring, Jaxx would sacrifice anything to shield others — particularly since a deadly menace dogged her every footstep, threatening all who got close to her. And strangely seductive, piercingly erotic Lucian was no exception. Lucian was powerfully, piercingly mesmerizing — oddly gentle yet clearly a born predator. He had vowed to possess her, to guard her for all time. Yet with his every thirsty kiss, was he drawing Jaxon more deeply into danger . . . and his dark, mysterious desires?

“The book casts a curiously sweet spell.” Entertainment Weekly Eleven Minutes tells the story of Maria, a young girl from a Brazilian village whose first innocent brushes with love leave her heartbroken. At a tender age, she becomes convinced that she will never find true love, instead believing that “love is a terrible thing that will make you suffer.” A chance meeting in Rio takes her to Geneva, where she dreams of finding fame and fortune, yet ends up working as a prostitute. In Geneva, Maria’s despairing view of love is put to the test when she meets a handsome young painter. In this odyssey of self-discovery, Maria must choose between pursuing a path of darkness—sexual pleasure for its own sake—or risking everything to find her own inner light and the possibility of true love.

A special 25th anniversary edition of the extraordinary international bestseller, including a new Foreword by Paulo Coelho. Combining magic, mysticism, wisdom and wonder into an inspiring tale of self-discovery, *The Alchemist* has become a modern classic, selling millions of copies around the world and transforming the lives of countless readers across generations. Paulo Coelho's masterpiece tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different—and far more satisfying—than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams.

Another stunning novel by the author of *The Alchemist*.

New York Times Bestseller “In *Brida*, my third novel, which I wrote just after *The Alchemist*, I tell the story of a young woman who dives into sorcery and her experiences with different magical traditions. I explore many themes that are dear to me, such as the Great Mother, pagan religions, and the perceptions of love.” -- Paulo Coelho This is the spellbinding tale of *Brida*, a beautiful young Irish woman, and her

quest for knowledge. On her journey, she meets a wise man who teaches her about overcoming her fears, and a woman who teaches her ancient rituals. They see in her a gift, but must let Brida make her own voyage of discovery.
