Reaper's Legacy is a raw and intensely erotic tale in Joanna Wylde's Reapers Motorcycle Club series. Eight years ago, Sophie gave her heart-and her virginity-to Zach Barrett on a night that couldn't have been less romantic or more embarrassing. Zach's step-brother, a steely-muscled, tattooed biker named Ruger, caught them in the act, getting a peep show of Sophie he's never forgotten.

When he discovers his brother's ex-girlfriend Sophie and his nephew Noah are living in near poverty, tattooed biker Ruger steps in to help them and gets more than he bargained for when Sophie shows him just how much she wants him in her life--and in her bed. Original. 75,000 first printing.

Winner of the Merle Curti Award Winner of the James A. Rawley Prize Winner of the Louis Gottschalk Prize Longlisted for the Cundill Prize " Vincent Brown makes the dead talk. With his deep learning and powerful historical imagination, he calls upon the departed to explain the living. The Reaper ' s Garden stretches the historical canvas and forces readers to think afresh. It is a major contribution to the history of Atlantic slavery. " —Ira Berlin From the author of Tacky ' s Revolt, a landmark study of life and death in colonial Jamaica at the zenith of the British slave empire. What did people make of death in the world of Atlantic slavery? In The Reaper ' s Garden, Vincent Brown asks this question about Jamaica, the staggeringly profitable hub of the British Empire in America—and a human catastrophe. Popularly known as the grave of the Europeans, it was just as deadly for Africans and their descendants. Yet among the survivors, the dead remained both a vital presence and a social force. In this compelling and evocative story of a world in flux, Brown shows that death was as generative as it was destructive. From the eighteenth-century zenith of British colonial slavery to its demise in the 1830s, the Grim Reaper cultivated essential aspects of social life in Jamaica—belonging and status, dreams for the future, and commemorations of the past. Surveying a haunted landscape, Brown unfolds the letters of anxious colonists; listens in on wakes, eulogies, and solemn incantations; peers into crypts and coffins, and finds the very spirit of human struggle in slavery. Masters and enslaved, fortune seekers and spiritual healers, rebels and rulers, all summoned the dead to further their desires and ambitions. In this turbulent transatlantic world, Brown argues, " mortuary politics " played a consequential role in determining the course of history. Insightful and powerfully affecting, The Reaper ' s Garden promises to enrich our understanding of the ways that death shaped political life in the world of Atlantic slavery and beyond.

This impressive full-colour atlas, with over 100 colour-coded and accessible maps, uniquely presents the geography of death in Britain. The first atlas published on this subject for over two decades, this book presents data from more than 14 million deaths over a 24-year period in Britain. The maps detail over 100 separate categories of cause of death, including various cancers, suicides, assault by firearms, multiple sclerosis, pneumonia, hypothermia, falls, and Parkinson's disease, and show how often these occurred in different neighbourhoods. Accompanying each map is a detailed description and brief geographical analysis - the number of people who have died due to each cause, the average age of death and ratio of male to female deaths are listed. Taken as a whole, these provide a comprehensive overview of the geographical pattern of mortality in Britain. This atlas will be essential reading for academics and students of social medicine, sociology of health and illness and epidemiology. It will also be valuable for anyone who wants a better understanding of patterns of mortality within Britain, including medical and healthcare practitioners, policy makers and researchers.

The sexy continuation of the New York Times bestselling Reapers Motorcycle Club series
As Reapers Motorcycle Club president, Reese " Picnic " Hayes has given his entire life to the club. After losing his wife, he knew he ' d never love another woman. And with two daughters to raise and a club to manage, that was just fine with him. These days, Reese keeps his relationships free and easy—he definitely doesn ' t want to waste his time on a glorified cleaning lady like London Armstrong. Too bad he ' s completely obsessed with her. London is independent, and she likes it that way. Besides running her own business, London ' s got her junkie cousin ' s daughter to look after—a more reckless than average eighteen-year-old. Sure she ' s attracted to the Reapers ' president, but she ' s not stupid. Reese Hayes is a criminal and a thug. But when her young cousin gets caught up with a ruthless drug cartel, Reese might be the only man who can help her. Now London has to make the hardest decision of her life—how far will she go to save her family?

Liam " Hunter " Blake hates the Reapers MC. Born and raised a Devil ' s lack, he knows his duty. He ' ll defend his club from their oldest enemies—the Reapers—using whatever weapons he can find. But why use force when the Reapers ' president has a daughter who ' s alone and vulnerable? Hunter has wanted her from the minute he saw her, and now he has an excuse to take her. Em has lived her entire life in the shadow of the Reapers. Her overprotective father, Picnic, is the club ' s president. The last time she had a boyfriend, Picnic shot him. Now the men in her life are far more interested in keeping her daddy happy than showing her a good time. Then she meets a handsome stranger—a man who isn't afraid to treat her like a real woman. One who isn't afraid of her father. His name is Liam, and he ' s The One. Or so she thinks.

Women inventors developed significant technologies, yet, because of complex cultural barriers and the pervasive image of the inventor as male, their technological contributions have until now been ignored and undervalued.

Marie doesn't need a complication like Horse. The massive, tattooed badass biker who shows up at her brother's house one afternoon doesn't agree. He wants Marie on his bike and in his bed. Now, But Marie just left her abusive jerk of an ex-husband and she's not looking for a new man. Especially one like Horse. She doesn't know his real name or where he lives. She's ninety percent certain he's a criminal and that the "business" he talked with her brother wasn't website design. She needs him out of her life, which would be a snap if he wasn't so damned sexy. Horse is part of the Reapers Motorcycle Club, and when he wants something, he takes it. What is he wants is Marie, but she's not interested in becoming some biker's property. Then her brother steals from the club. Now Marie can save him by giving Horse what he wants-at home, in public, on his bike... and if she's a very, very good girl, he'll let her brother live.
Author's Note: This book was originally released through a small publisher in 2013.

From Pulitzer Prize – winning historian: a searing study of the British Empire that probes the country's pervasive use of violence throughout the twentieth century and traces how these practices were exported, modified, and institutionalized in colonies around the globe
Sprawling across a quarter of the world's land mass and claiming nearly seven hundred million people, Britain's twentieth-century empire was the largest empire in human history. For many Britons, it epitomized their nation's cultural superiority, but what legacy did the island nation deliver to the world? Covering more than two hundred years of history, Caroline Elkins reveals an evolutionary and racialized doctrine that espoused an unrelenting deployment of violence to secure and preserve the nation's imperial interests. She outlines how ideological foundations of violence were rooted in the Victorian era calls for punishing recalcitrant "natives," and how over time, its forms became increasingly systematized. And she makes clear that when Britain could no longer maintain control over the violence it provoked and enacted, it retreated from empire, destroying and hiding incriminating evidence of its policies and practices. Drawing on more than a decade of research on four continents, Legacy of Violence implicates all sides of Britain's political divide in the creation, execution, and cover-up of imperial violence. By demonstrating how and why violence was the most salient factor underwriting Britain's empire and the nation's imperial identity at home, Elkins upends long-held myths and sheds new light on empire's role in shaping the world today.

This international collection of essays by leading authorities in literature and education presents their first comprehensive view of the impact of Romanticism on education over the course of the last two centuries. Romanticism ' s reconception of self, nature, writing and the imagination forms a chapter of intellectual history that has led to a number of innovative programs in the schools. The book returns to the educational thinking of key figures from the time—Rousseau, Wordsworth, Mary Shelley and Coleridge—before charting their influence on such historical and contemporary developments as Montessori schools, art education, free schools and current writing programs. The contributors tend to challenge common assumptions concerning Romanticism and do not shy away from its darker side; their work encompasses both theoretical considerations of Romantic and post-modern conceptions of the self and practical concerns with Romanticism ' s potential for the school curriculum. The Educational Legacy of Romanticism represents a multi-disciplinary inquiry into the continuing influence which cultural endeavours can have on the social practices of society.

This collection of highly readable and accessible essays on Lincoln's legacy offers a wide array of perspectives on the enduring impact of the nation's greatest president on leaders, thinkers, and American history. The book explores how Lincoln's words and deeds have influenced the pursuit of justice and freedom and the practice of democracy in the century and a half since he governed.
