The revised FTCE Professional Education Test is already being administered, and the changes are major. Competencies on the test have been reduced from 14 to just 8. The exam is also now offered year round by appointment. This CliffsNotes test-prep book provides in-depth coverage of the changes, including the structure and format of the test, and an explanation of the scoring structure of the test. It also features frequently asked questions, competency reviews, and sample questions and answers, throughout. Included in the package are two, model full-length practice tests to ensure success on test-taking day.

An updated test-prep study guide on California's RICA (Reading Instruction Competence Assessment) including two model practice exams. California's Reading Instruction Competence Assessment (RICA) test ensures that all candidates for Multiple Subject Teaching Credentials (meaning elementary school teachers) and Education Specialist Instruction Credentials (meaning special education teachers for all grades) possess the necessary knowledge and skills to effectively teach reading to students. All would-be California elementary school teachers and all would-be California special education teachers must pass the RICA. 13,000 exams are administered every academic year. This 3rd Edition includes subject review material for all five RICA domains and two model practice tests.
