The Provincial Lady in London : E. M. Delafield ...

The Provincial Lady books are fictitious diaries and as such, are written in abbreviated phrases, memos to the writer herself. This type of writing does get a bit monotonous, but the content, the account of an almost famous writer from one of England's southern counties (before WW II) is very diverting.

The Provincial Lady finds herself in London, looking for voluntary work to support the war effort, which proves an unexpectedly difficult thing to achieve. Her interactions with a varied host of companions, also caught up in a strange frenzy, reflect so clearly the mood and tension of the time, yet the account is witty, apposite - and so very English, with the stiff upper lip underpinning it all.
