The incredible true story of British special agents Eileen and Jacqueline Nearne, sisters who risked everything to fight for freedom during the Second World War. When elderly recluse Eileen Nearne died, few suspected that the quiet little old lady was a decorated WWII war hero. Volunteering to serve for British intelligence at age 21, Eileen was posted to Nazi-occupied France to send encoded messages of crucial importance for the Allies, until her capture by the Gestapo. Eileen was not the only agent in her family---her sister Jacqueline was a courier for the French resistance. While Jacqueline narrowly avoided arrest, Eileen was tortured by the Nazis, then sent to the infamous Ravensbrück women's concentration camp. Astonishingly, this resourceful young woman eventually escaped her captors and found her way to the advancing American army. In this amazing true story of triumph and tragedy, Susan Ottaway unveils the secret lives of two sisters who sacrificed themselves to defend their country.

'Absolutely magical ... Always intriguing' Richard Adams author of Watership Down. Behind the realm of man lie the wild roads. Weaving through time and space, these hidden pathways carry the natural energies – the spirits, the dreams – of the world. No creature can slip into the shadows and travel the wild roads better than the cat. For millennia, cats have patrolled the tangled paths, maintaining balance and order, guarding against corruption and chaos. It is dangerous territory: for those who control the wild roads hold the keys to the world. Amid a struggle between the purest good and the darkest evil, here are tales of duty and destiny, of courage and comradeship among the extraordinary creatures who brave the wild roads... Secure in a world of privilege and safety, Tag is happy with life as a house cat – until the dreams begin. Hazy dreams of strange pathways, of a mission he must undertake and of a terrible responsibility he will bear. Armed with the cryptic message, Tag must bring the King and Queen of cats to Tintagel before the spring equinox. Meanwhile, a man known only as the Alchemist doggedly hunts the Queen for his own ghastly ends. And if the Alchemist captures her, the world will never be safe again...
