computers. Second, Google is no longer the only game in town. Bing now accounts for 30 percent of all U.S. searches. Finally, "search extensions" have become a powerful new technique you can use to collect phone numbers and email addresses with your ads, limit your ads to certain times of day, deliver coupons to nearby customers, and even provide handy "call me" buttons that are displayed only on cell phones. In this new edition, Stokes details all this and more.
