## Chapter 1 Psychology Guided Reading Activity

What is Guided Reading? Guided reading is a group method of teaching reading skills that can be used in place of, though usually in addition to, occasional 1:1 reading and discrete phonics instruction. Generally speaking, guided reading involves teaching groups of children according to their ability levels.

## understanding psychology guided reading activities

The activities are meant to be used in addition to reading with children every day. In using these activities, your main goal will be to develop great enthusiasm in the reader for reading and writing. You are the child's cheerleader. It is less important for the reader to get every word exactly right.
